

We'll take you there...

Tuesday 18 February 2020

2020 is well underway and both Social and Travel Committees have consolidated their programs for the coming months. A calendar for your future planning is included with this Bulletin. On the horizon are a day trip to Batemans Bay in May, a visit to Red Cow Farm in Sept, a shopping stop in October and a possible Op Shop Hop thrown in randomly for good measure! Watch your In Box over coming weeks for more information.

See below details of upcoming outings but first.....

NEW 'OUT N ABOUT' GROUP

Last year the Club organised visits to the Q Theatre, movies and exhibitions at both the Library and National Film and Sound Archive as part of the Travel Committee program. We are introducing a new 'activity group' which will encompass these outings and give our members an opportunity to contribute to the program if they so wish. Sound like something you would be interested in? Then why not register your name with the office and we will be in touch!

CANBERRA NIGHT NOODLE MARKET & ENLIGHTEN EVENING TOUR

Canberra Comes to Life After Dark

See the illuminations of Canberra's iconic buildings – National Library, National Gallery, Questacon, Old Parliament House and enjoy the tantalizing tastes of an array of Asian-inspired sweet and savoury dishes at the Night Noodle Markets at Reconciliation Place beforehand.

This year we will visit the Night Noodle Markets as something different before we visit the illuminations. The Club has reserved the Viking's Club Community 24-seater bus for two evening tours of 'Enlighten', **leaving from the Vikings Club Erindale at 6.15 pm SHARP** (where there is ample safe parking),

Our visits to this event last year were very popular, so make your booking soon as there are limited seats available.

Cost: \$5.00 (Noodle Market at own cost)

Booking with payment at the Club's office by Friday 28 February.
