

# Weekly Bulletin

Friday 8 February 2019

## Highlight of the week

**Saturday – 16 February – 1.30 pm**

### **55 Film Group - 'Ned Kelly'**

Following on from the Heath Ledger 'excursion' today, we are beginning 2019 season with the 2003 film 'Ned Kelly'. Directed by Gregor Jordan, the screenplay is based on the fictionalised account of the bushranger's life, *Our Sunshine*, by Robert Drewe. It combines both historically accurate details, as well as some fictionalised aspects. Heath Ledger has a commanding presence as Ned and this brooding production strives to be true to the legend. Notice is on the board for you to let us know so that we have enough customary ice-creams.
