ANDROID SIG

We are a group of beginner enthusiasts who get together on the 2nd Thursday of each month to ask questions, share our knowledge (and discoveries) and learn about our Android technology. As a 'Self Interest Group', we cover all Android devices and welcome new members. We are a friendly group who enjoy a cuppa and chat, and we look forward to meeting you!

Friday – 14 February – 4.15 pm

UKE 55 – UKULELE GROUP

Known as "the people's instrument" and "the heart of Hawaii", the ukulele has played an important role in the everyday lives of Hawaiian islanders since its introduction by Portuguese immigrants in the late eighteenth hundreds. Open to newbies and old hands alike, ukulele sessions at the Club are tailored for all levels. Musical arrangements are interpretations of existing songs and are made available for ukulele enthusiasts to play along.

Friday – 14 February – 6.00 pm

SQUARE DANCING

Square Dancing is excellent for mind-body co-ordination and keeps you young with lots of laughs. It is also great exercise; there is no fancy footwork at all so anyone can do it! New people are always welcome, so invite your friends and come along to discover how easy it is to dance in a square! Garry Owen instructs both Uke 55 and square dancing which are held fortnightly – dates are on the notice boards!

Saturday – 15 February – 1.30 pm

55 PLUS FILM GROUP –

'My House in Umbria'

We are beginning our viewing year with an adaptation of William Trevor's novella, 'My House in Umbria'. Anchored by the ageless Maggie Smith, the film tells the story of four strangers who are thrown together by misfortune. Filmed in Italy, the production's attractive Italian settings amount to a visual vacation! As always there will be the customary ice creams.

Have you checked the Club's library collection lately? There are books in the Founders Library and Waterview Lounge at TSC as well as in the Grevillea Room in Gumnut Cottage. There is also a selection of audio books on CD as well as DVDs. Simply borrow whatever takes your fancy but please return all items to the allocated boxes for us to re shelf. Thank you!

DATES FOR YOUR DIARY!

Thursday - 20 February – 9.30 am - 1.30 pm

SHUTTERBUGS “BACK TO BASICS”

PHOTOGRAPHY SESSIONS

The Shutterbug's Camera Group will be holding “Back to Basics” camera sessions commencing on Thursday 20 February. The sessions will be ideal for anyone keen to learn more about the various settings on their cameras and the fundamentals of good photography. The sessions will be run by fellow Shutterbug's member and knowledgeable photographer, Steve Walmsley. The first session will explain what the aperture, shutter speed and ISO settings are and how best to use them to obtain good photos. There will be plenty of time for questions and everyone is encouraged to bring along their camera as these sessions will also take a practical approach to explaining the basics of digital camera operation. The second session will take place on Thursday 19 March. There is no need to book, just come along on the day. The normal \$4.00 activity fee will apply. *Norm Swanwick*

Sunday – 23 Friday – 2.00pm

SUNDAY FUN TRIVIA

For all our trivia fans, our first fun quiz for the year is not far off and will take place on Sunday 23 February starting at 2.00 pm. Our special theme for our February quiz will be “Colours” - questions or answers with a colour in them. There will also be a selection of general knowledge questions. Team names will be selected to match a colour. Questions may include picture quizzes, TV themes, jingles and movie grabs all projected on our big screen. You can organise a team with family or friends or just come along and join a table with your fellow Club members and enjoy a fun afternoon's activity. There will be prizes galore, chocolates for everyone and a great afternoon tea. Hope you can join us?
