HIGHLIGHT OF THE WEEK!

**Thursday - 1 October – 10.00 am
FAMILY HISTORY GROUP**

'Adventures with Ancestry DNA'

The topic this month is about using the results of a DNA test to trace ancestors. "Adventures with Ancestry DNA". Mary Argall, one of our members, has used the results of her Ancestry test to see if she can break down some brick walls in her research. Come along and hear about her results.

Due to Covid restrictions, numbers are limited so please contact me (0409 323 014) to reserve your place. I would not like anyone who has made the effort to get to the Club, not to be able to join in.

RETURNING THIS WEEK!

**Friday – 2 October – 4.15 pm
UKE 55 – Ukulele Group**

After over five months in the on-line rehearsal space, Uke 55 is returning to up close and personal strumming from Friday 2 October (well almost – distancing socially of course!)

Talented leader and Instructor Garry Owen has kept the music and momentum going with his entertaining fortnightly YouTube sessions while meeting in person was not advisable. But now it is back to business as usual and all are welcome to join in, as this happy group continue to sing and strum some of the great music of our time!

For the Club to continue to operate efficiently and effectively, it requires a fully functioning Management Committee. If you would like to nominate for a position and share in the management of the Club, nomination forms and information about the positions are now available from the office and need to be submitted by Monday 19 October.

STREET ART PROJECT

Over three days last week, the white walls of the Centre were transformed into two vivid pieces of public art. The concept design was based on suggestions from Club members and reflects the location and history of the area, as well as some of our feathered friends, many of whom kept the artists company as they painted!

Funded through a 'Creative Endeavour Grant' from the ACT Government and overseen by their Graffiti Management Coordinator Lisa Petheram, the murals were a collaboration between multidisciplinary artists David Cragg and Karla Hayes as well as a handful of talented Club members!

Community murals are brightening up public spaces all over the country, creating large outdoor galleries which are becoming the latest tourist attractions. The modern Seniors Centre building has joined these spaces as the murals make a colourful statement and are a vibrant addition to Tuggeranong's Art 'Trail'!

The Cycling group, not deterred by the change in the weather last Friday rode by for a 'viewing'. The group rivalled the artwork with their bright colours and posed for a happy snap before they set off on their weekly ride.

More pops of colour on Monday morning when our Zumba class used the patio area as an impromptu outdoor stage! Blending beautifully with their surroundings, they finished their dancing term with fun and flair!
